# Heat Pump and Weatherization

Income-qualifying customers can receive \$2,000 for installing a heat pump and completing a Home Performance with ENERGY STAR project.

GET  
**\$2,000  
OFF**

Limited offer while funds last.

## Eligibility:

This offer is only available to customers of Barton Village Electric Department and Jacksonville Electric Company. Qualifying applicants can attest their 2019 household income was at or below:

1 person	2 persons	3 persons	4 persons	5 persons
\$66,400	\$75,800	\$85,400	\$94,800	\$102,400

## How To Redeem:

**There are two ways to receive the \$2,000 incentive.**

1. Have \$2,000 deducted from the price of your heat pump installation and weatherization project performed by a participating contractor.
2. Complete your heat pump installation and weatherization project and receive a \$2,000 check directly from VPPSA.

**Complete the rebate application at [www.vppsa.com/tailoredeffort2021](http://www.vppsa.com/tailoredeffort2021)**

## More Discounts and Cash Back:

Additional weatherization rebates and discounts are available. Visit the following websites:
