

**CELEBRATE CLEAN WATER VERMONT
OPEN HOUSE AND TOUR
WASTEWATER TREATMENT FACILITY
Barton Vermont**

Saturday May 6th: 10 AM TO 2 PM

--Did you know that the Village of Barton Wastewater Treatment Facility water resource recovery facility serves the Village of Barton, Town of Glover and West Glover?

--Have you ever wondered where the water goes after a toilet is flushed?

--Do you know the purpose of a wastewater treatment facility?

--Did you know that our Wastewater Treatment Facility is working to improve the water quality of Lake Memphremagog?

Get the answer to these and many more questions by coming to the Barton Village Wastewater Treatment Facility's open house and tour.

Saturday May 6th, 10 AM - 2 PM

The treatment facility is located at:

Barton Village Wastewater Treatment Plant
112 Municipal Lane, Barton Vermont

Refreshments will be served. Bring the whole family!
